### NOTES TO THE INTERIM FINANCIAL REPORT (Continued)

#### A. Explanatory Notes Pursuant to MFRS 134 (Continued)

##### A9. Valuation of Property, Plant and Equipment

There were no valuation of property, plant and equipment in the current quarter under review. The valuation of property, plant and equipment have been brought forward without amendments from the previous audited financial statements.

##### A10. Material Events Subsequent to the End of the Quarter

On 17 July 2017, TA Securities Holdings Bhd., appointed Adviser, on behalf of the Board of Directors ("Board") had announced that the Company proposed to undertake the following proposals:

(I) Proposed share split involving the subdivision of every 2 ordinary shares in Wellcall Holdings Bhd. ("WHB or the Company") into 3 ordinary shares in WHB held at an entitlement date to be determined later ("Proposed Share Split"); and

(II) Proposed amendments to the Memorandum and Articles of Association of the Company ("Proposed Amendments").

The Proposed Share Split and Proposed Amendments are not conditional upon any other corporate proposal undertaken or to be undertaken by the Company. For the avoidance of doubt, the Proposed Share Split and Proposed Amendments are not inter-conditional upon each other.

The rationale for the Proposed Share Split is expected to improve the trading liquidity of ordinary shares in WHB ("WHB Shares") on the Main Board of Bursa Securities Malaysia Bhd. as a result of the increase in the number of WHB Shares in issue. In addition, the Proposed Share Split will result in a downward adjustment to the market price of WHB Shares, potentially increasing the affordability of WHB Shares which is expected to appeal to a wider group of shareholders and/or investors to participate in the growth of the Company and its subsidiary. The Proposed Share Split will also enable the existing shareholders of the Company to have a larger number of WHB Shares while maintaining their percentage of equity interest.

The rationale for the Proposed Amendments are to facilitate and to reflect the consequences of the migration to the no par value regime under the Companies Act 2016 effective from 31 January 2017.

Bursa Malaysia Securities Berhad had, vide its letter dated 25 July 2017, approved the Proposed Share Split.

The Proposed Share Split and Proposed Amendments are subject to and conditional upon approval being obtained from the shareholders of WHB at the Extraordinary General Meeting ("EGM") to be held on 28 August 2017, which approval has been obtained in the EGM held on 28 August 2017.

The Share Split was completed on 14 September 2017 following the listing of and quotation for the 497,947,555 Subdivided Shares on the Main Market of Bursa Securities.

Other than the abovementioned corporate proposal, there were no material events between the end of the current quarter under review and the date of this report, which is likely and substantially affecting the results of current quarter and cumulative period-to-date, except as disclosed in Part B Note B10.
